Notes to the balance sheet and statement of income and expenses

1 Accounting policies for the balance sheet (principles of valuation of assets and liabilities)

1.1 General

Assets and liabilities are stated at the amounts at which they were acquired or incurred, unless indicated otherwise. The balance sheet and statement of income and expenses include references to the notes.

1.2 Cash and cash equivalents

Cash represents bank balances with a maturity of less than 12 months. Cash is free of disposal for the foundation.

2 Accounting policies for the statement of income and expenses

2.1 Expenses

The expenses are based on the historical cost convention and allocated to the financial year to which they relate. This mainly includes the charity donations made during the year.
