How to claim

6. Regardless of the type of Product(s) that you are claiming for, please complete your claim online at the following URL: www.sony.co.uk/studentcashback (or www.sony.ie/studentcashback for Republic of Ireland). You will need a **My Sony account** to submit a claim – if you do not already have a My Sony account, you will be required to create an account.
7. To complete your claim, you will be required to include electronically:
 - a. The serial number of the Product; and
 - b. Handheld picture of the serial number on the Product itself; and
 - c. A copy of your original printed sales receipt/sales invoice clearly showing the name of the retailer, the Product name and date of purchase; and
 - d. A picture of your student ID card/ badge showing the current year (“2024” / “2025”) with your name or any other kind of personalised proof of university admission for the current year (“2024” / “2025”).
8. In case the proof of purchase mentions an order date that is different from the date that the proof of purchase was issued (invoice date), then the purchase date will be determined solely by reference to the order date. Please note that order confirmations never replace valid invoices.

Online order confirmations and handwritten receipts will not be accepted. As an exception, order confirmation containing an order number will be accepted for Very and Littlewoods customers only that are eligible for this promotion. Fake, altered or doctored invoices or receipts will be rejected, and the related claims treated as a fraudulent claim. Sony reserves the right to request additional information and/or supporting documents in order to verify the validity of claims.

9. **Claims may only be submitted after thirty (30) days from the date of purchase of the relevant Product(s). Claims submitted before the relevant date will be rejected.**
10. **All claim forms submitted in respect of the Student Cashback Promotion must be received by midnight (CET) on August 30th 2025. No claims will be accepted after this date.**

General Terms applicable to all Cashback applications

11. The Cashback is only available on Sony qualifying new Products which have been supplied and distributed by Sony to its authorised dealers within [the UK, Republic of Ireland and Isle of Man](#) (as appropriate). We recommend that you check with your retailer or our list of official retail partners before purchase to ensure that your purchase qualifies under these Terms and Conditions. You can also check on the Sony Student Cashback website specified in section 6 for details of Sony's authorised dealers. Sony is not responsible for a retailer's misleading statements in this respect and the final decision as to whether a retailer is authorised rests with Sony. For the avoidance of doubt, Sony will not accept any claims from Amazon & Amazon Marketplace even if the reseller is listed as one of the eligible dealers for this campaign.
12. The Sony Student cashback offer cannot be cumulated with any retailer run promotions or other Sony cashback promotions for the Product(s) at the time of purchase. However, the Sony promotions "Extended Warranty" and "Welcome to Alpha" are eligible after purchase and registration of the Product(s) under the Student Cashback offer.
13. A claim for Cashback cannot be made in respect of a Product that is returned to the retailer for a refund. Sony may check serial numbers with retailers to monitor for Product returns. Where cashback has already been paid in respect of a returned Product Sony shall be entitled to recover the relevant amount from you.
14. Each customer is limited to a maximum of two claims per individual model and a maximum of 5 claims in total (for example: if a customer purchases a qualifying camera and also purchases a qualifying kit that includes the same camera model, the customer will be able to claim in respect of both of those purchases).
15. In the event of an incomplete claim, the participant will be informed via email, and he/she will be given a deadline of 14 (fourteen) calendar days in which to resolve any issues and to send the correct and valid document that meets these requirements.
16. Please allow 28 days for receipt of your Cashback once all criteria have been fulfilled; where we are unable to meet this deadline then we will do so as quickly as possible thereafter.

17. The Cashback will be provided in the form of a direct bank transfer provided correct bank details have been submitted and receipt is valid and readable. Claimants will have their Cashback paid in pounds sterling (or Euros for purchases in Republic of Ireland). If you provide bank account details in a country outside the country of purchase, you should check if your bank accepts payments in these currencies and you accept that the amount you receive may vary depending on the local currency and exchange rate at the date of payment. Sony accepts no liability in the event your bank does not accept payment in the relevant currency or for any related bank charges which may apply. Alternative cashback fulfilment is not possible. For a purchase made in the UK, payments will be made to UK bank accounts only.

18. It is necessary to have access to the internet with sufficient broadband speed and download capability in order to complete the claim form. Sony will not be held liable for any technical, hardware, software, server, website or internet connection issues which prevent or otherwise obstruct you from participating in the Promotion.
